2010 NOMINATION FORM

The Rochester Chapter of the Society of Financial Service Professionals, St. John Fisher College and the Rochester Business Alliance call for entries to the 2010 Rochester Business Ethics Award (RBEA). This prestigious award honors companies throughout the Rochester region that exemplify high standards of ethical behavior in their everyday business practices.

Use this form to submit Nominations for the 2010 RBEA. A company may nominate itself or be nominated by a customer, client, employee, consultant, vendor or any other person who believes that the company's ethical behavior is commendable.

Upon receipt of this completed form, RBEA will send the nominated companies a Congratulatory Letter and an Official Entry Form. Additionally, an RBEA Consultant will follow up with those nominated to explain what additional support services are available to help company leaders get started with the entry process.
